## No Travel Advisory lifted for portions of western North Dakota

The North Dakota Department of Transportation (NDDOT) and the North Dakota Highway Patrol have LIFTED the **No Travel Advisory** for portions of western North Dakota including the cities of Killdeer, Dickinson, New England, Bowman, Hettinger and surrounding areas.

A **No Travel Advisory will remain in effect for the cities of** Williston, Watford City, New Town and surrounding areas due to high winds, blowing snow, and snow sticking to the roadways creating reduced visibility and slippery road conditions. Motorists should not travel due to hazardous conditions which may make it unsafe to travel.

All travelers are encouraged to monitor road conditions as weather conditions occur and use caution while traveling. For road information, call 511 from any type of phone or go to the website [www.dot.nd.gov](http://www.dot.nd.gov).
